

ADMISSION PORTAL CAVEAT

The university management would like to implore our dear fresh students that we are working round the clock for their safe integration into the university campus. In this light, any intending undergraduate students who participated in the last post UTME screening exercise should check their CAPS on JAMB and if “Admission in Progress” or “Transfer Approval” is displayed, the candidates are encouraged to participate in the orientation programme for the freshers starting from Monday, 28th October through 2nd November, 2024.

- However, those who have printed their admission letters should proceed to <https://eportal.oauife.edu.ng> to verify their status on the OAU portal. Then, login to the eportal and make appropriate payment as displayed on the portal. However, part payment of two equal installments is allowed.
- Candidates who wish to be accommodated within the available limited hostel facilities can proceed to make request for such on the link provided. Kindly note that accommodation is on first – come, first – served basis.

New Schedule for the Orientation Programme

The schedule for orientation programme has been updated thus:

1. Monday: 28th October, 2024
Faculties of Law, Science, Technology, EDM, Pharmacy, and Health Sciences
2. Tuesday: 29th October, 2024
Familiarization with Faculties and Departments
3. Wednesday: 30th October, 2024
Faculties of Administration, Agriculture, Arts, Education, and Social Sciences

Other activities remain as previously scheduled.
